Welcome to Summer!

Welcome to the 2024 ASK Summer Program! This calendar will help act as your monthly guide for the summer. All of the field trips for the month, special outreach programs, and fun program days are noted. Please note that for the summer all K-2 will have Monday field trips and 3-5 will have Wednesday field trips. All Star Kids provides lunch now. Families may opt to send their own lunch if their child/ren don't like what's on the menu that day, but please be mindful of potential allergy risks. This week we will be starting our Island Luau with special dress up days and a visit from Kona Ice. We are excited for a fantastic summer kick off.
