Dear All Star Kids Families:

Welcome to All Star Kids, the before and after school and summer child care program operated by the Bennington Public Schools Foundation! All Star Kids is a self-supporting project offered in each elementary school building in the Bennington School District. All net proceeds from All Star Kids go toward the Foundation's benevolent programs within the Bennington Public Schools, including classroom grants and scholarships.

All Star Kids provides quality, reliable child care in your child's own elementary school at a competitive child care price. Each site meets Nebraska Department of Health and Human Services standards for Child Care Centers as well as meeting inspection requirements from the Fire Marshal and County Health Department. The program attends to the educational and nutritional needs of each child by providing morning and afternoon snacks as well as large muscle activities supplemented with fine motor skill activities such as arts and crafts and table games. Children will also have opportunities to complete school assignments, read, have free choice time, and participate in outdoor play.

This Family Handbook is intended to outline what you may expect from the All Star Kids Program and vice versa. If questions arise that are not covered in this Family Handbook, please feel free to speak to your Site Director or contact the Education Program Directors using the contact information listed on page three of this Family Handbook.

We are dedicated to providing a fun, safe, and enriching childcare experience for your child and welcome all suggestions and ideas to better our program! Please do not hesitate to call with any questions, concerns, or ideas!

Welcome to All Star Kids!

Thank you,
All Star Kids Administration

HISTORY OF FOUNDATION

The Bennington Public Schools' Foundation was formally founded as a non-profit corporation on December 29, 1992. The Foundation was initiated under the leadership of the Bennington Public School District's Board of Education members: Wayne Andersen, Mark Backhuus, Jim Bonge, Sue Cohrs, Darrell Kading, Marcia Taylor and Superintendent of Schools Dr. Doug Townsend. They recognized that the principal support of the school district must come from tax appropriations but that gifts from community members and other friends are essential to the future success of the district's commitment to quality education. The Foundation's initial Board of Directors included Jim Bonge, Mary Ferdig, Darrell Logemann, Rod Laible and Superintendent Douglas Townsend.

One of the Foundation's principal goals has been to provide scholarships to graduating seniors. In 1998 one \$300 scholarship was given and today the Foundation awards over \$20,000 in scholarships annually to graduating seniors of Bennington Public High School.

In 2001 the Foundation held its first annual awards banquet recognizing the scholarship winners, a volunteer of the year and an educator of the year. Currently, the annual awards banquet is attended by over 125 community members and students.

A generous donation was received from the Ernest Katzner Estate, in 2004, which secured the future of the Bennington Public Schools' Foundation.

In the fall of 2005, the Foundation supported the start-up costs of operating a Before and After School Care program. This program has been a huge success and has grown significantly over the years with the growth of the school district.

The Classroom Grants program was implemented in 2008. Classroom Grants fund innovative ideas and projects at the classroom level. The Foundation awards over \$5,000 annually in classroom grants to teachers in the school district.

The Foundation has grown significantly over the past two decades and continues to partner with the school district to make our children and their futures a key priority in our community.

LICENSING

All Star Kids is a child care program licensed by the State of Nebraska through Nebraska Health and Human Services. All Star Kids sites are routinely visited through the year by a Child Care Inspection Specialist appointed by Nebraska Health and Human Services to ensure all regulations are met and sustained on a daily basis in order to maintain our licensing compliance with the State of Nebraska. All Star Kids maintains the school-age child to adult ratio of 15:1, as dictated by state regulations.

Nothing is more important than a dedicated, experienced, and well-trained staff. Staff is selected on their experience, training, and personal commitment to the needs of children. The Child and Adult Protective Service Registry completes a background check for all staff of the Bennington Public Schools Foundation Before and After School Program. All staff members are required to have annual training, as well as be certified in CPR/First Aid.

CHILDREN SERVED

The Bennington Public Schools Foundation All Star Kids program does not discriminate in our admission policies based on race, sex, religion, place of national origin, or mental abilities. Child care is eligible for "school age" children, ages five through thirteen years of age who are enrolled in Bennington Public Schools. **"School Age" starts the first day of kindergarten and goes through 5th grade.**

If your child has special considerations (including but not limited to behavioral concerns, ADD, ADHD, hearing impairment, speech impairment, asthma, food allergies, or any condition that may affect his/her ability to receive appropriate care at All Star Kids), please notify us AT THE TIME OF ENROLLMENT. A special needs care plan may be developed with the involvement of the child's parents/guardians, Site Director, classroom instructor, All Star Kids Education Program Directors, and other appropriate personnel. The feasibility of the plan's implementation will be determined by several factors, including but not limited to trained personnel resources, state guidelines, and program safety.

All Star Kids cannot provide one-on-one supervision during operating hours. Care of all children must allow All Star Kids to operate within the state defined guidelines of a 1:15 ratio (one staff member to fifteen children). All children enrolled in All Star Kids must meet each of the following criteria:

- Must be currently enrolled in the Bennington Public Schools System,
- Must be "school age" and between the ages of 5-13 years old,
- Must be able to move to and from the toilet in the restroom without assistance,
- Must have age-appropriate hygiene skills (i.e. restroom cleanliness, washing hands and face),
- Must have age-appropriate eating skills (i.e. uses spoon, self-serves from cup or spoon),
- Must have age-appropriate dress skills (i.e. removes/puts on coat, boots, hat, re-dresses self after restroom use),
- Must have physical endurance to interact or participate in indoor and outdoor play,
- Must be able to adhere to the discipline policy and indoor and outdoor rules.

All Star Kids reserves the right to restrict admission or continued enrollment on a case-by-case basis.

It is mandatory that parents list on the registration form at the time of registration if their child has any special needs or accommodations. Failure to comply with this request at the time of registration may result in removal from the All Star Kids program. All information listed will remain confidential; but it is for the safety and well-being of your child that we request such information, so that appropriate and adequate care can be given to best serve your child's needs.

PARENTAL INVOLVEMENT

Parental involvement is a very important part of our program. Parents and children working together with staff members are an important element in a quality childcare program. Parents and other interested parties who wish to visit are encouraged to visit the site. A solid relationship with All Star Kids employees at your school, built on mutual trust and respect, is key in making your child care arrangement work well for everyone. Keep these tips in mind as you begin to build your relationship:

- Keep the lines of communication open at all times. Let your provider know if there is something going on in your child's life that may be affecting behavior.
- Be aware of the program policies and honor them. Respect the drop-off and pick-up times, and call if you are going to be late for any reason.
- Get involved with the program. The more you participate, the more dedicated you will feel. There are bound to be certain topics or situations that are difficult to talk about with All Star Kids staff. If you have developed an honest, open way of communicating with one another, discussing these issues as they arise will not be so hard. Things to consider when discussing difficult issues:
 - Raise issues when they first develop. If you put off a discussion, it may be harder to bring it up later.
 - Avoid confronting All Star Kids staff in front of other parents or children. Set up a time to speak privately, in person, or over the phone.
 - Think about what you want to discuss ahead of time, and even practice how you want to say it.
 - Be specific about your concerns. Give examples of things that have happened or observations you have made.
 - Never discuss a problem when you are feeling angry or not in control of your emotions.
 - Remember that conflicts are normal and part of most relationships. They can usually be resolved when both parties can see the other's views and are willing to compromise.

FAMILY INFORMATION

It is the responsibility of parents to notify the Site Director of any changes in employment, address, phone numbers, care and/or custody arrangements, and any other pertinent information regarding the child or family situation. This information is confidential and will not be released to any other person, company, etc.

Parents/Guardians may inform the Education Program Coordinators or Site Director in writing that any or all of the pictures or work should not be released without their prior consent.

In order to register into the All Star Kids program, parents/guardians should fill out the registration link on our website. ***All Star Kids reserves the right to restrict admission or continued enrollment on a case-by-case basis.***

EVACUATION, FIRE, AND TORNADO DRILLS: Evacuation, fire and tornado drills are conducted monthly at all site locations to ensure proper procedures in case of emergencies.

NUTRITION AND FOOD SAFETY

As a licensed child care center, all of our meals that we serve meet USDA guidelines. Weekly menus are posted to inform staff, children, and parents of upcoming meals being served.

CONSOLIDATION DAYS

The All Star Kids program will operate during vacations, staff development days, parent-teacher conference days, teacher conventions, etc. On these days, all three schools will be consolidated to one site. A schedule of the consolidation dates and locations will be distributed in early August for the entire school year. Building selection is based on availability and maintenance work that may need to be done at the school. During consolidation days, All Star Kids operates from 6:30 AM- 6:00 PM.

In order to use consolidation days, pre-registration is required. Registration will be available approximately two weeks prior to the consolidation day(s). Children will not be allowed to use the consolidation days unless pre-registration is completed by the due date. Once the registration deadline has occurred, days cannot be added, changed or removed. Charges are based on the days for which you pre-register, regardless of attendance, and charges are non-refundable.

On days when school is not in session, regular rates do not apply. Please review the current fee schedule, indicating our current consolidation day rates. Consolidation charges are in addition to your regular tuition deduction that debits from your account every other Monday. Lunch is not provided on consolidation days and students should bring their lunch.

A daily schedule will be posted the morning of the consolidation day by the sign in/sign out station. You will be notified at the time of registration if a field trip is planned for that day and any other necessary requirements needed.

FIELD TRIPS

Field trips are also an intricate part of the All Star Kids summer program. All children in attendance during their designated field trip day will be required to attend the scheduled field trips as all scheduled staff members for that group will accompany the children on each trip. You will be notified in advance if a field trip is scheduled and any other necessary requirements needed. Transportation will be provided by licensed Bennington Public Schools drivers and vehicles/buses.

FIELD TRIP PROCEDURES

Staff Procedures:

- Prior to a scheduled field trip, staff is informed of important details of the trip (example: prohibited areas, meeting locations, times, cell phone numbers, etc.).
- Staff will wear a designated All Star Kids t-shirt.
- Proper swimming attire-Staff must be in swim wear, as this is a requirement of all city pools. All Star Kids will maintain a 1:5 adult to child ratio on swim trips. Half of the staff will be in the water, and the other half will be supervising by walking the pool deck.
- Each staff member will keep a list of children's names in their designated group.
- Staff will accompany the children to and from the restroom and drinking fountains.
- During the field trip, staff will count their group before moving to another designated area.
- Fifteen minutes prior to the scheduled departure time, staff will meet at a designated location. Site Directors will then complete an initial attendance and an additional head count prior to departure.
- One staff member will be assigned to complete a final check of the bus after arrival back at the site. This will serve as added safety to make sure all children have departed the bus.

Procedures Established for Children:

- A buddy system will be established for each child.
- Children must wear a designated All Star Kids T-Shirt or a "Badger Blue" T-Shirt
- Prior to departing the site, the following will be reviewed with the children:
- Bus rules.
- Field trip rules and safety procedures.
- Safety procedures for crossing the street.

Children are taught the following steps indicated below, to take if, for any reason, they are separated from their group. We feel it is important to teach children the appropriate steps to take should such an incident occur. Upon arrival at the field trip location, a "lost child" area is identified.

We teach children to:

- Remain in the area where they last saw their group or go to the "lost child" area.
- Ask for help in an open visible place from someone in charge.
- NEVER leave the area with an unidentified person.
- Tell a staff member immediately if their buddy is missing.

BUS RULES

The following are bus rules that children are expected to follow at all times:

- Children must stay seated and facing the front on the bus at all times.
- Hands must be kept inside the bus.
- Feet must be kept out of the aisle while on the bus.
- Children must use indoor voices while on the bus.
- Children must put up the windows at the end of the trip

SUMMER PROGRAM:

During the summer, All Star Kids operates Monday through Friday from 6:30 AM until 6:00 PM at two designated sites (location to be announced at time of registration). Summer rates will apply. Breakfast, afternoon snack, and hot lunch will be provided daily for the summer program at no additional cost. Families will be provided with a lunch menu and will have the option to bring lunch from home. A calendar of summer activities, such as field trips, swimming, and special activities will be published and submitted in early May. There are no extra charges for these activities as all charges are already included in the summer rates. Children must be at least five years of age and meet all requirements as outlined in our "Children Served" section.

REGISTRATION FEE

A **non-refundable** registration fee will be due at the time of registration for each registration category.

TAX RECORDS

The Federal Tax ID number of the Bennington Public Schools Foundation is 36-3880988. It is the responsibility of the parent or guardian to maintain records of the total amount paid for the child during the calendar year. Each family will be provided with a complimentary statement by January 31st with the prior year's tuition and payment information. If you are in need of a monthly statement of your payments, you may access those forms online using the EZChildTrack parent portal at <https://www.ezchildtrack.com/allstarkids/parent>. Assistance with all records can be obtained by contacting the Accounts and Billing Specialist.

ENROLLMENT CATEGORIES

Families have five choices of enrollment categories from which to choose. Tuition charges depend upon their chosen enrollment category, along with the number of children that are enrolled. *Space is limited*. Families will be given the option to place their child on the All Star Kids wait list, in the event the position they are requesting is full.

Your tuition is determined by the enrollment category for which you register your child(ren). Tuition charges are based on enrollment category, not attendance or the amount of dates between deduction dates.

School Year Program Enrollment Categories

Full Time – reserves a space each morning and afternoon

AM Only– reserves a space each morning

PM Only– reserves a space each afternoon

2 days/week – reserves a space for 2 specified days of the week (both morning & afternoon)

Consolidation Only – reserves a space for consolidation days only (parents must pre-register with their home site prior to each consolidation)

Summer Program Enrollment Categories

Full Time – reserves a space each morning and afternoon, up to five (5) days per week

Part Time – reserves a space of three (3) or less specified days per week

TUITION

Each enrollment category has an annual amount. The annual amount is then divided into 20 equal deductions for the school year program and 6 equal deductions for the summer program. All Star Kids automatically deducts your tuition every other Monday from the account setup with auto-pay during registration. Charges for consolidation days will be added to the regular tuition which is automatically deducted from your account. Tuition is based on the above registration categories and is due regardless of the child's actual attendance or number of dates between deduction dates. A fee/deduction schedule is provided online for your convenience. Please review the online fee/deduction schedule for the current tuition rates and deduction dates. Autopay on ezchildtrack portal your responsibility to keep it current including expiring accounts, credit cards, etc. All Star Kids has the capability to withdraw funds out of two separate accounts. In divorce situations, All Star Kids is able to split that amount by the necessary percentage as outlined in the divorce decree and/or as agreed upon by both paying parties. Failure of both paying parties to adhere to the conditions as stated in their divorce decree and/or signed acknowledgement of responsibility may result in termination

of one or both paying parties, reallocation of financial responsibilities or termination of services. Paying party eligibility will be terminated if All Star Kids receives three (3) returned payments on behalf of a given paying party during one school year. Should the financial institution account of one paying party no longer be valid or if their eligibility is terminated, 100% of the tuition will then become the responsibility of the other paying party. Notification will be requested from the eligible paying party to assume 100% of tuition to continue services. Families will have one-week from the date of request to comply. Failure to comply will result in termination of services. Once the eligible paying party acknowledges 100% payment responsibility to continue services, All Star Kids will continue to withdraw 100% of the tuition out of their financial institution account until the non-eligible party provides valid financial institution information or is granted reinstatement as an eligible paying party. This also applies to all other two paying parties. Failure to submit payment for all tuition and associated fees accrued on a paying party's account will result in termination of the account and the balance being turned over to collections. Terminated accounts are subject to be reviewed for reinstatement by All Star Kids the school year following termination and all determinations made regarding all accounts are at the discretion of All Star Kids.

RETURN PAYMENT

If the bank returns any payment, a \$25.00 return fee will be assessed to your Tuition Express bank account. Please note that the amount of payment returned, the \$25.00 return fee, and any other current payments or fees will be processed on the **next scheduled Tuition Express deduction date**. Failure to resolve outstanding balances may result in termination from the All Star Kids Program.

TITLE XX PROVIDER

The Bennington Public Schools Foundation is an approved Title XX provider. Authorization from the State of Nebraska must be provided with the registration paperwork, prior to the first day of care. Title XX recipients are expected to attend as indicated in the registration category of their contract; if a Title XX recipient does not attend as expected, the family may be billed.

LATE PICK-UP FEES

All children are to be picked up by 6:00 PM. Parents will be charged for late pick-up at a rate of \$20.00 per 15 minutes per child, beginning at 6:01 PM. This fee will be assessed through Tuition Express on the next scheduled Tuition Express pull.

STATUS CHANGES: Any change in registration status for your child, such as changing from full-time to part time AM, must be provided in writing on a 'Withdrawal/Status Change Form' obtained from and returned to the Site Director at least two weeks (10 business days) in advance.

WITHDRAWAL FROM ALL STAR KIDS (by the family): Families who wish to discontinue child care services with All Star Kids must give written notice of deduction on our 'Withdrawal or Change of Status Form'. These forms are available at the site, or by going to <http://benningtonschoolsfoundation.org/allstar>. Parents are obligated to continue payment of any tuition or fees to meet the requirement regardless of the child's attendance as well as the Withdrawal Fee of \$50.00. Any charges incurred during this time are **non-refundable**. Weekly charges continue to accrue until such time that a "Withdrawal request from is approved by the Executive Director or authorized representative for the Bennington Public Schools Foundation.

TERMINATION FROM ALL STAR KIDS (by the Foundation): Reasonable steps will be taken to avoid termination; however, if we can no longer provide care we will give a two-week notice. The two-week notice is null and void if the child is being removed for disciplinary reasons (please see “Disciplinary Policy”). You are responsible for payment for those two weeks even if your child does not attend. Exceptions will be reviewed by Administration. All Star Kids may terminate services for any of the following reasons (but are not limited to):

- Failure to honor obligations listed in the Family Handbook, or in any written policies provided.
- Any actions by parents or children that adversely affect the program.
- Failure to complete required forms.
- Lack of parental cooperation.
- Inability to meet the child’s needs without additional staff.
- Failure to maintain a current account balance.

PROGRAM PLANNING

All activities are prepared in advance so that staff members are aware of the week’s activities in order to be fully prepared. Weekly plans will be posted by the sign in/out station each Monday for the upcoming week. A variety of age-appropriate activities are planned daily to coincide with the daily schedule, providing the children a choice in activities in which to participate.

SUPPLIES & MATERIALS

Each All Star Kids site has a variety of developmentally appropriate supplies and materials for each child to be engaged in an activity. Supplies and materials are inspected weekly to ensure that they are in good condition. Supplies and materials not in good condition will be removed from the site immediately.

ITEMS FROM HOME

We request your refrain from permitting your child to bring play items and electronics from home. The exception to this is school-provided electronics necessary to complete coursework and reading. All Star Kids has ample equipment to meet the children’s needs. All Star Kids will not assume responsibility for items brought from home. Please do not send your child to All Star Kids with a cell phone. If you need to contact your child during program operating hours, please feel free to call the site and ask for the Site Director. The Site Director will be able to assist you in speaking with your child. Conversely, a child may be permitted to contact a parent/guardian if the Site Director deems the situation as appropriate.

LOST AND FOUND

Articles of clothing, such as sweaters, jackets and boots, should be marked with your child’s name. If you lose something, please check with the Site Director or in the school’s lost and found during school operating hours which are from 7:30 a.m. – 4:00 p.m. Access to the school building will only be granted by entering the main doors of the school, signing in and obtaining a visitor badge.

Within the first 20 minutes of the program opening in the afternoon, the Site Director will have an accurate attendance record. If your child has chronic health problems that prohibit or limit outdoor play, please notify the Site Director.

PROVIDING APPROPRIATE CARE AND SUPERVISION

Staff members of a childcare program are the most important element in successful operation of the All Star Kids Program. It is the staff that is responsible for creating and maintaining a safe, healthy environment. The staff shall assume responsibilities for providing adequate and appropriate supervision at all times children are in attendance. Every situation will differ; however, it is expected that childcare staff will use good judgment in assessing proper supervision while children are in our care.

ABSENT CHILD PROCEDURES

A major goal of All Star Kids is to provide a safe environment for each child. Knowing which children should be present is very important. Attendance is taken as your child comes in after school. If a child is scheduled to attend All Star Kids, the child does not arrive, and a parent/guardian has not notified All Star Kids, the Site Director will initiate the Missing Child Procedures. If a child will be absent or will be late to All Star Kids, messages may be left on the site phone via voice mail or text message 24 hours a day by calling the number for your All Star Kids site.

MISSING CHILD PROCEDURES:

If a child is scheduled to attend All Star Kids after school, the child does not arrive, and a parent/guardian has not notified All Star Kids, the following procedures will be followed:

- 1.) Check with the school secretary to see if the child left school or has gone home ill.
- 2.) Check the classroom and with the classroom teacher. The Site Director will use all-call to access help to check other areas of the building and alert additional staff.
- 3.) Call parent or emergency numbers on enrollment form.
- 4.) If unable to reach a parent or emergency number, the Police Department will be called for assistance.

If step 3, "call parent or emergency numbers on enrollment form," is reached on more than **three** occasions because the parent/guardian did not notify All Star Kids that the child would be absent, **the child will be permanently removed from All Star Kids.**

If your child is going to be absent from All Star Kids in the afternoon, please take the following steps to report their absence:

- 1.) Call or text the site phone and leave a message stating that your child will be gone (please include the date and time that you are calling if leaving a voicemail and the date your child will be absent).
- 2.) Call or email your child's teacher/the school to let them know that they will not be attending All Star Kids after school that day. **All Star Kids will not notify the school if your child is absent from All Star Kids.**

DROP OFF AND PICK UP

A child will be allowed to leave All Star Kids only when accompanied by a parent or by a person listed in writing by the parent as authorized to pick up the child. **Any parent or authorized person who picks up the child must sign the child in or out at the sign in/out station.** All Star Kids staff members cannot sign a child in or out of the program nor can a parent call in to authorize someone to pick their child up (all authorizations must have written consent). **Failure to sign in the child in the morning or out in the afternoon may result in the removal of the child from All Star Kids.** All Star Kids will not be responsible for children left unsupervised before our official opening time. A photo I.D. will be required for any authorized person, other than a parent, to pick up a child.

RELEASE OF A CHILD: CUSTODY/DIVORCE/UNAUTHORIZED INDIVIDUALS

It is our policy to release a child to either parent unless we have a copy of a court order/ divorce decree prohibiting one of the parents from having custody of the child. Children are also eligible to be released to authorized individuals as permitted by the parent having custodial rights on a given day as stated in the court order/divorce decree. The school may have a copy of the court order/divorce decree on file, but because we are a separate entity from Bennington Public Schools, we require a copy for our records. For the safety of your child, it is imperative that this information is supplied and discussed with your child's Site Director. The Bennington Public Schools Foundation will not assume responsibility for children released to unauthorized individuals if we do not have the proper documentation on file.

If your child is to be picked up by someone other than who is listed on your emergency/authorized pickup list (as designated on your child's registration form), you will be required to submit permission in writing before your child will be authorized to leave with the individual. You may not call in to give verbal permission for your child to leave with an individual-it must be in writing.

Please call ahead if someone other than the child's parent/guardian will be picking them up to make the Site Director aware. As a reminder, all individuals must provide a photo I.D. to verify their identity before the child will be released.

ILLNESS POLICY

If your child becomes ill while attending the program, you will be notified immediately. The child may not remain at the program if any of the following symptoms are present:

- 1.) Temperature of 100 degrees F or above

A sick child must be picked up from the program within one hour of being notified by an All Star Kids staff member. Please let the Site Director know if your child has been diagnosed with a contagious illness. Notice will be posted to all families within the site, letting them know that their child has been exposed to a contagious illness/disease. For confidentiality reasons, the name of the child with the confirmed illness will never be released.

Common colds and allergies should not, unless causing the child to feel too uncomfortable, prohibit attendance. It is our policy to have conditions that encourage cleanliness and good health practices among both staff and children. Please refer to the health exclusion policy for additional information:

HEAD LICE

If head lice or nits are found on your child, you will be called to pick up the child and given information on treatment. The child will be checked upon their return and may stay if the child is “nit free”.

CHRONIC AND SPECIAL HEALTH NEEDS

If your child has special considerations (including but not limited to behavioral concerns, ADD, ADHD, hearing impairment, speech impairment, asthma, food allergies, or any condition that may affect his/her ability to receive appropriate care at All Star Kids), please notify us **AT THE TIME OF ENROLLMENT**. A special needs care plan may be developed with the involvement of the child’s parents/guardians, Site Director, classroom instruction, All Star Kids Administration and other appropriate personnel. The feasibility of the plan’s implementation will be determined by several factors, including but not limited to trained personnel resources, state guidelines, and program safety.

All Star Kids cannot provide one-on-one supervision during operating hours. Care of all children must allow All Star Kids to operate within the state defined guidelines of a 1:15 ratio (one staff member to fifteen children). All children enrolled in All Star Kids must meet each of the following criteria:

- 1.) Must be currently enrolled in the Bennington Public Schools system,
- 2.) Must be between the ages of 5-13 years old,
- 3.) Must be toilet trained and non-diapered,
- 4.) Must be able to move to and from the toilet in the restroom without assistance,
- 5.) Must have age-appropriate hygiene skills (i.e. restroom cleanliness, washing of hand and face),
- 6.) Must have age-appropriate eating skills (i.e. uses spoon, self-serves from cup or spoon),
- 7.) Must have age-appropriate dress skills (i.e. removes/puts on coat, boots, hat, re-dresses self after restroom use),
- 8.) Must have physical endurance to interact or participate in indoor and outdoor play,
- 9.) Must be able to adhere to the discipline policy, indoor rules and outdoor rules.

ACCIDENTS AND MEDICAL EMERGENCIES

The health and safety of children entrusted to our care is our top priority and we work to prevent accidents from happening. If a minor accident occurs during our care, an accident report outlining the care and procedures administered to your child will be completed and placed in your child’s file. The accident report must be signed by the parent/guardian before the child will be allowed to return to All Star Kids.

In the event of a medical emergency or accident requiring a doctor’s treatment, we will attempt to contact the parent/guardian immediately at the telephone numbers you have supplied. If we are unable to reach a parent/guardian, our procedure is to contact the emergency people listed on your registration form and the child’s physician or ambulance

as needed. A staff member would accompany any child being transported to a local hospital, and remain with the child until the parent or guardian has arrived. A copy of the child's registration form and immunization records would be brought to the hospital with the staff member. Ambulance units are dispatched by the city or county officials according to the location of the school and are usually required to take patients to the nearest hospital. A signed emergency medical authorization is required from the parent/guardian to allow the All Star Kids staff member to take necessary emergency medical measures. This permission is included on your registration form.

CPR/FIRST AID

All employees of the All Star Kids Program are required to be up to date in their certification of CPR/First Aid.

General Guidelines Used for Administering First Aid:

- 1.) Staff will not move the child until we determine the extent of the injury.
- 2.) Any mild cut or abrasion will be washed with warm water and a Band-aid will be applied. Salves, ointments, or creams will not be applied or kept on site, unless an "as needed" script is provided by a licensed health care professional and the parent/guardian has supplied the medication.
- 3.) In case of deeper cuts possibly requiring sutures, staff will call the parent or guardian immediately. If we are unable to reach the parent or guardian, we will contact another authorized person on the child's registration form, or notify the child's listed physician for medical advice.
- 4.) If a limb is visibly distorted, we will contact the parent/guardian immediately. The parent/guardian can then make the recommendation as to having 911 dispatched, or if the parent would prefer to transport. If we are unable to get in contact with the parent/guardian, staff will call 911 immediately. If a child is transported to a local hospital, a staff member will accompany the child to the hospital, and remain with the child until the parent or guardian has arrived.
- 5.) If a child becomes unconscious, 911 will be called immediately.
- 6.) In case of a head injury of any kind, staff will apply a cold compress to the injured area, and call the parent/guardian.

MEDICATION GUIDELINES

If possible, a parent/guardian should administer all students' medications at home. If a circumstance requires a student to take medication while at All Star Kids, the Site or Assistant Site Director may administer the medication in compliance with the regulations that follow:

- 1.) All medication to be administered by All Star Kids must be accompanied by written parental/guardian permission and the physician's statement indicating the need and instructions for correctly administering the medication. The parent/guardian must complete the "Medication Permission and Questionnaire" including signing a competency statement which will be kept in the child's file.
- 2.) All medication must be presented in the prescription container, properly labeled, including the child's name, physician's name and the directions for administering.
- 3.) Over the counter medication, or as needed medication, (i.e. aspirin, cold tablets, cough drops, throat lozenges, etc.) cannot be administered without a verbal or written order from a physician.
- 4.) All emergency medication, such as asthma inhalers and Epi-Pens, must be accompanied with an Emergency Action Plan and a note including explicit dosage and administration instructions, from a physician.
- 5.) If at all possible, consult with your physician of the timing of the medication. Some prescriptions can be written so there is not a need to administer medication during All Star Kids hours.
- 6.) All medications administered at All Star Kids must be stored and/or refrigerated in a locked container, available only to All Star Kids staff.
- 7.) All medication not picked up will be disposed of at the end of the year or when the child is no longer enrolled in the All Star Kids Program.

All Star Kids will not store nor administer any medication that has not been delivered to the Site Director by parent/guardian, accompanying proper completed documentation. Expired medication will not be kept on site as it is a violation of our licensing agreement with the State of Nebraska. All expired medication will be returned directly to a parent/guardian. It is the responsibility of parents/guardians to supply All Star Kids with non-expired medication, accompanying completed proper documentation in order to administer any prescription or non-prescription medication

on site. All Star Kids does not have access to the school's medications-any medication needing to be administered during All Star Kids hours will need to be supplied.

The following medication guidelines are set forth by the Nebraska Health and Human Services Regulation and Licensure Division:

8-016.03 Delivery of Medication: Any child care provider, center, or preschool staff person who gives or applies medication shall do so in accordance with the "5 Rights" as required in Nebraska Statutes 71-6718 through 6742. These are:

1. The right drug;
2. The right recipient;
3. In the right dose;
4. By the right route;
5. At the right time;

8-016.04 Parental Responsibility: Parents or any licensed health care professional shall determine if child care providers or center and preschool staff are competent to give or apply medication. Center and preschool directors have the responsibility to assess the ability of staff to give or apply medication safely.

8-016.05 Confidentiality: Any child care provider, center, or preschool staff who gives or applies medication shall not disclose information about a child's medication unless such information is needed to protect the health of other children or staff.

8-016.06 Written Permission and Instructions: All child care providers, center or preschool staff shall give or apply medication, both prescription and non-prescription, only with prior written permission and written instructions from a parent. Child care providers, center or preschool staff shall comply with the instructions provided by the parent. Medication shall be in the original container, stored according to instructions, clearly labeled for a named child, and returned to the parent when no longer needed. The dosage will not exceed that which is printed on the label. Expired medication shall not be given or applied to a child and shall be returned to the parent.

8-016.06A Report to Parents: Any error the giving or applying medication shall be reported to the parent.

8-016.07 Unusual Circumstances: There must be a written statement from the licensed health care professional who prescribed the medication allowing the provider to give the medication when:

1. Any prescription medication is given or applied as needed (PRN); or
2. By route other than oral, topical, inhalant, or installation.

8-016.09 Hand washing: All child care providers, center and preschool staff shall wash hands before giving or applying any medication. If handling any bodily fluids is involved, caregivers must also wash hands after giving or applying medication.

EPI-PENS

If your child has an allergy that may require the use of an Epi-pen, All Star Kids will require their own Epi-pen kept on site which will be provided by the parent or guardian. All Epi-Pens must be accompanied with an Emergency Action Plan and a note including explicit dosage and administration instructions, from a physician. If your child would require the use of the Epi-pen while in attendance, the following steps will be taken:

- 1.) The Epi-pen would be injected by a staff member.
- 2.) 911 would be called after the Epi-pen is injected.
- 3.) The parent or guardian would then be contacted and given further information.

LATEX GLOVES

Latex gloves are worn by staff when administering first aid. Please inform the Site Director and indicate on your child's registration form if your child has a latex allergy.

SUNSCREEN

Sunscreen is provided by ASK and is included in the summer registration fee. You will have the option to opt out of sunscreen during the registration process or bring your own sunscreen from home if preferred.

MANDATED REPORTING

According to Nebraska law, school employees and all other persons are required to notify Child Protective Services and law enforcement officials if they suspect a child has been subject to abuse or neglect to include but not limited to:

- 1.) Endangerment of physical or mental health.
- 2.) Deprivation of necessary food, clothing, shelter, or care.
- 3.) Minor child six years of age or younger left unattended in a motor vehicle.
- 4.) Suspected sexual abuse and/or exposure to sexual situations/materials.

DISCIPLINE POLICY

Under the Nebraska Department of Social Services regulations, no child shall be pinched, punched, left alone, shaken, struck with an object, bitten or spanked by staff. Parents will be informed if the child's behavior becomes unmanageable. The following are inappropriate forms of discipline that will not be used by staff at the All Star Kids program:

- Restraints
- Profane or abusive language
- Isolation without supervision
- Placing a child in a dark area
- Inflicting physical pain
- Forced physical activity, such as running laps, doing push-ups, etc.
- Verbal abuse or loud voice tones directed in a derogatory manner
- Writing sentences

If an inappropriate behavior does occur, we will use a positive approach by encouraging the child's good behavior and redirecting his/her activity. If the behavior continues, the child will be removed from the total situation, or given "time out". We will also consult with parents regarding any serious problem. Each consultation is documented and placed in the child's file.

When, in the judgment of the Site Director, the inappropriate behavior is serious enough to warrant further action but not serious enough to warrant immediate suspension from All Star Kids, the Site Director will complete a Child Disciplinary Report. A copy of the Child Disciplinary Report will be given to the parent/guardian, and the child may not return to All Star Kids until the parent/guardian sign the Child Disciplinary Report. After three (3) Child Disciplinary Reports, the child will be suspended from the program for three (3) school days. Following the suspension, three (3) additional Child Disciplinary Reports will result in suspension from the program for ten (10) school days. Following the 10-day suspension, any behavior serious enough to warrant a Child Disciplinary Report will result in immediate and permanent removal from All Star Kids.

If the inappropriate behavior is of a serious nature, the Site Director and All Star Kids Administration may determine that it is necessary to immediately suspend or terminate a child from All Star Kids. This decision would be determined after the Site Director has investigated the facts, and consulted with the Education Program Coordinators. Examples of behavior that may result in immediate suspension or termination from All Star Kids include, but are not limited to:

- Unprovoked intentional striking or injuring another child or a staff person.
- Intentionally damaging school or All Star Kids property.
- Threatening another child or a staff person.
- Repeated occurrences of behavior that might otherwise result in a written warning.

Any parent/guardian wishing to appeal any Child Disciplinary Report may address their concerns by writing to the All Star Kids Administration at 11620 N 156 Street, P.O. Box 309, Bennington, NE 68007. It will then be forwarded to the Bennington Public Schools Foundation Board for further review. All determinations made by the Foundation Board are final.

The school facilities are the property of the Bennington Public School District. Damage or misuse of any part of the facility cannot be allowed.

Note: During the discipline process, the child may be required to write a note or letter of apology to whomever they may have offended or a letter to their own parent/guardian explaining what they have done. Any recurrent and excessive inappropriate behavior will be discussed with the parent/guardian. If the behavior cannot be controlled, the child may be suspended or terminated from the All Star Kids program.

STANDARDS OF BEHAVIOR

If a child is expelled from the program, it is for a minimum of one year, but could be permanently. After one year of expulsion a parent or guardian may ask to have their child re-enter the program. Review of the child's behavior in school, other programs, age, nature of the incident, previous patterns of behaviors, help the child is receiving for behaviors, counseling the child is receiving, considering the child's help in school, are they with a para at any time during the day, and many other circumstances will be considered before the child is allowed to re-enter the program.
